WATER SITUATION & STARTUP DATE

The mountain snowpack is above average and Alberta Environment and Parks headworks and SMRID storage is near normal. TID set an annual allocation of **16” at the farm gate**. See our website for updates. We will also send updates through our TID Notification System. If you would like text and/or email notifications, please sign up with the office (403-223-2148). You can also email your request with your contact information to tid@taberirrigationdistrict.ca.

Policy explanations for **Startup** (enhanced planning/green light for first water order requests), and **Ditchrider Hours** for receiving water order requests (M-F 7:30 am - 7:30 pm, Sat. 7:30 am - 11:00 am) are posted on our website.

Startup for water order requests in TID is planned for the week of **May 2nd – 6th**. It is dry, and water is on its way – please be patient.

Please contact your Ditchrider to place your water orders.
