

WATER SUPERVISOR (DITCHRIDER) POSITION

Taber Irrigation District is looking for a suitable person to fill the position of Water Supervisor. This individual will be responsible for receiving water orders and for operating canals and pipelines to deliver water to farmers and other water users in the Taber area during the irrigation season. During the fall, winter and spring, this individual will be involved in construction and maintenance. The applicant must possess a valid driver's license and be prepared to reside in the Taber area.

The successful applicant must be well motivated, physically fit and able to keep accurate record of water use. They must also be able to work with limited supervision. Skills or experience in the following areas would be an asset; welding, construction, irrigation, farming, operating equipment, Class 1 or 3 driver's license and mechanics. This is a full time position and offers health benefits, life insurance, pension plan, etc. Due to the nature of the job, vacation time must be taken in the winter. The expected start date is April 1st, 2019.

PLEASE SUBMIT YOUR APPLICATION INCLUDING A RESUME

BY 4:30 P.M. ON FRIDAY, MARCH 1st, 2019 to:
